

Teacher of Maths

Heathside Weybridge

Weybridge, Surrey, KT13 8UZ

Start date: April 2026 or September 2026

Full Time, Permanent

MPR/UPR (fringe)

Applications welcomed from ECTs and experienced teachers

Heathside Weybridge is seeking an enthusiastic, creative and dedicated **Teacher of Maths** to join our successful and supportive Mathematics department. This is an exciting opportunity to make a real difference to students' confidence, enjoyment and achievement in mathematics, while developing their problem-solving, reasoning and analytical skills.

At Heathside Weybridge, we are more than just a school – we are a vibrant and inclusive community where every member of staff is valued, supported, and empowered to thrive.

When you join us, you become part of an environment that is:

- **Welcoming and Challenging:** We provide a secure and positive atmosphere that inspires both staff and students to achieve their full potential through encouragement and meaningful challenge. We want you to enjoy your job!
- **Respectful and Inclusive:** We foster a culture of respect, understanding, and acceptance, ensuring everyone feels a true sense of belonging, regardless of their background or identity.
- **Supportive of Your Growth:** Your personal and professional development matters to us. We are committed to offering ongoing opportunities to learn and develop.
- **Committed to Wellbeing:** We prioritise the wellbeing of our staff, providing the care, resources, and flexibility you need to flourish in both your career and personal life. We are proud to have been successfully reaccruited with the Wellbeing Award for Schools in 2024.

If you are ready to be part of a team that values integrity, collaboration, and continuous growth, we would love to hear from you.

We welcome candidates who are:

- Are confident teaching Mathematics across a broad age and ability range
- Deliver high-quality teaching that enables students to make excellent progress over time
- Plan engaging and effective lessons that meet curriculum requirements and challenge all learners
- Use assessment and feedback effectively to support and promote student achievement
- Adapt teaching strategies to meet the needs of all students, including those with SEND and high prior attainment
- Are reflective practitioners who value collaboration and continuous improvement

If you are passionate about helping students succeed in Mathematics and want to be part of a school that values integrity, collaboration and professional growth, we would love to hear from you.

Closing date: Monday 2nd February 2026 at Midday

Interviews: Week commencing 9th February 2026

Applications will be considered as they are received.

We are committed to safeguarding and promoting child welfare. Applicants must undergo child protection screening, including checks with past employers and Enhanced DBS disclosure with Children's Barred List check. Committed to equal opportunities, we welcome applications from all sections of the community.
