

Stanborough

Teacher of Art, Design and Technology

Information Pack for Candidates
March 2026

Grow and Succeed

High Expectations | Mutual Respect | Quality Learning | Success for All

Welcome

March 2026

Dear Candidate,

Thank you for your interest in the role of Teacher of Art, Design and Technology at Stanborough School. We are delighted that you see Stanborough as a school where you can make an impact. This position will offer an exciting opportunity for the successful applicant to work with us as we continue to develop our thriving and dynamic over-subscribed school.

It has been a privilege to lead Stanborough School since September 2018. My team share an educational philosophy which promotes the highest expectations and consistent pastoral care. Our core aim is to nurture enquiring minds and to inspire our youngsters to pursue their dreams, leaving our school ready to excel in a future which has limitless possibilities. I am delighted that all of the hard work by staff and students has been recognised by Ofsted and that following an inspection in January 2023 we have been awarded a 'Good' grade. Details of this are given later in this pack.

Our aim is simple, we want to be a truly outstanding school in every sense of the word and we want to be confident that our students get the best possible education that is ambitious, varied and stimulating. At the heart of everything we do is a desire to ensure that our students receive the highest standards of teaching and learning. Our curriculum is broad and academically challenging in order to prepare students for the rigours of further study or work.

At Stanborough, we care passionately about the development of each student's character, their personality and social skills, the way they treat others and the contribution they make to society. We place strong emphasis on outstanding behaviour. Excellent learning is underpinned by excellent behaviour. We expect our students to show respect when interacting with other members of our school community and to uphold the reputation of the school in the local area.

In September 2019 we became an 8 form entry school. Raising our intake number is a reflection of the success and popularity of Stanborough School in the local area.

If you are passionate about education and really feel you can make a positive difference to the school then we look forward to receiving your application to join us at Stanborough.

Mrs M John
Headteacher

Ofsted Report – March 2023

The school was delighted to be awarded an Ofsted 'Good' grade following an inspection held in January 2023.

The report emphasised the hard work of staff and students over the past four years since the last inspection. The full report is available at <https://stanborough.herts.sch.uk/wp-content/uploads/2023/01/2023-OFSTED-Report.pdf>. Below are some highlights from the report.

'Pupils behave well at Stanborough'

- 'Pupils behave well. They know and understand what leaders expect of them'
- 'Leaders set clear and high expectations for behaviour. Pupils are clear that disruption or discriminatory behaviour will not be tolerated'
- 'Pupils know staff will help if they have a worry or issue. They benefit from a range of effective support services such as counselling and well-being support'

'Leaders have redesigned the curriculum so that it is academically ambitious'

- 'Pupils study a broad and balanced curriculum which enables them to pursue their talents and interests'
- 'Leaders have ensured that in many subjects, the curriculum is planned well to build pupils' knowledge over time'
- 'Teachers present subject matter clearly, promoting appropriate discussion about what is being taught'

'Leaders ensure there is a wide range of opportunities for positive personal development'

- 'Pupils learn values such as mutual respect and tolerance through a well-planned programme of life skills, assemblies and tutor time'

'Leaders have taken clear and effective action to ensure the school has improved since the last inspection'

- 'Staff feel that leaders listen to them with regard to workload and well-being'

We are proud of the above comments and we would encourage all prospective candidates to read the [full report](#).

Stanborough School

[Stanborough School](#) is an 11-18 co-educational Academy that sits on the southern fringe of Welwyn Garden City. The school currently has 1250 students. Due to parental demand for places at the school, from September 2019 the school expanded to 8 form entry. This has required a substantial amount of new premises work to be completed which includes a new teaching block as well as a drama and music block.

We pride ourselves in being a fully inclusive school that serves our local community and on being a school that does its best for each individual student so they can achieve their potential during their time at Stanborough.

Stanborough is proud of its community involvement. We work closely with the four other local Secondary Schools as part of the Welwyn-Hatfield 16-19 Consortium. We also take a leading role in hosting and developing a number of other key community developments such as the Handside Schools Partnership with a local special school and primary school.

The school boasts excellent facilities including our first-rate IT resources, a legacy of our Specialist Computing Status. With a dedicated Art, Design and Technology block, Sixth Form Centre and the recently constructed MFL and Humanities and Music and Drama teaching blocks the students enjoy some outstanding facilities. The exceptional sporting facilities include 9 netball courts and 5 football pitches as well as a purpose built sports hall. Our excellent resources in all curriculum areas also show our commitment to giving students a wide variety of curricular opportunities including technology, the performing arts and computing. All students in Years 7 to 10 now bring their own devices and this continues to be rolled out across the whole school.

Our greatest asset at the school is our staff. We want the best educators for our students and through exceptional retention and support we have a stable staff with very low turn-over. A number of staff who started at the school as NQTs and ECTs now find themselves in senior positions at the school. We have a strong support team and many staff have remained with the school for several years.

With the appointment of a new Headteacher from September 2018, this is an exciting time to join the school and become part of an ambitious and hard-working team dedicated to moving the school forward. We are looking for support staff and teachers who will embody our four principles of High Expectations; Mutual Respect; Quality Learning and Success for All.

Welwyn Garden City

Welwyn Garden City is a town in Hertfordshire with a population of just under 50,000 people. Welwyn Garden City was the second Garden City to be built, founded in 1920 and it exemplifies the physical, cultural, social and planning ideals of the time it was built.

Location and Transport Links

Welwyn Garden City enjoys superb communication links. Stanborough School sits five minutes from the A1(M) and approximately 10 minutes from the M25. The M1 is only a 30 minute drive away. The train station in Welwyn Garden City is on the main East Coast Line linking Scotland to London and Kings Cross station is a 30 minutes train journey.

Luton Airport is less than 30 minutes away and both Heathrow and Stansted Airports are less than an hour's drive away. The town is also a central hub for local bus services which link it to the rest of Hertfordshire.

Facilities and Amenities

Stanborough School is a two minute walk from the Gosling Sports Park and is only a short car/bus journey to the University of Hertfordshire Sports Village in Hatfield. A range of shops, bars, restaurants and cafes can be found in the Town Centre as well as in the local Galleria shopping centre. St Albans, Hitchin and Hertford are all around 30 minutes away and all offer a range of retail and leisure experiences.

The town also has the QEII Hospital, a theatre, cinema and numerous other cultural and leisure facilities. Stanborough School lies at the southern edge of the town and the school grounds back onto the Stanborough Lakes Country Park.

Housing and Accommodation

A range of accommodation options are available in the local area and there is a thriving rental market. The excellent transport links allow many staff at the school to live in other parts of Hertfordshire as well as North London.

Help and advice can be given by the school if accommodation is required.

What can we offer you at Stanborough?

- The chance to work in a thriving and developing school that puts the student at the heart of everything it does.
- The chance to work with amazing staff who are passionate about developing the young people in their care.
- Personally tailored training and CPD.
- An expanding school with great facilities including a new teaching block with 17 classrooms as well as a new Music and Drama block.
- An opportunity to be involved in the 16 – 19 Welwyn Hatfield Consortium, one of the oldest and well-established of its kind in the UK. This involves close links and collaboration with four local schools and offers our Post 16 students access to over 50 Level 3 qualifications.
- Great resources for staff, including free parking on site, good rail and road links to the school and an attractive edge of town location next to Stanborough Lakes and Gosling Sports Park.
- Staff can benefit from the school's children of staff admission rule.
- Access to an employee assistance programme which offers confidential support to all staff.
- Yearly Staff Wellbeing Day

Stanborough School

Art, Design & Technology Department

Art, Design & Technology provides students with an exciting range of creative opportunities, offering a broad curriculum and insight into the creative world around them. We aim to enthuse, inspire and excite our students into developing their own creativity and to experiment with the endless limitations of media, materials and processes.

The department is currently staffed by full time and part time specialist teachers. We are further assisted by 3 technicians across the faculty.

In addition to our National Curriculum and exam board commitments, we thrive in providing opportunities to enhance and facilitate wider learning through extracurricular clubs, creative career visits and external and internal workshops.

FACILITIES

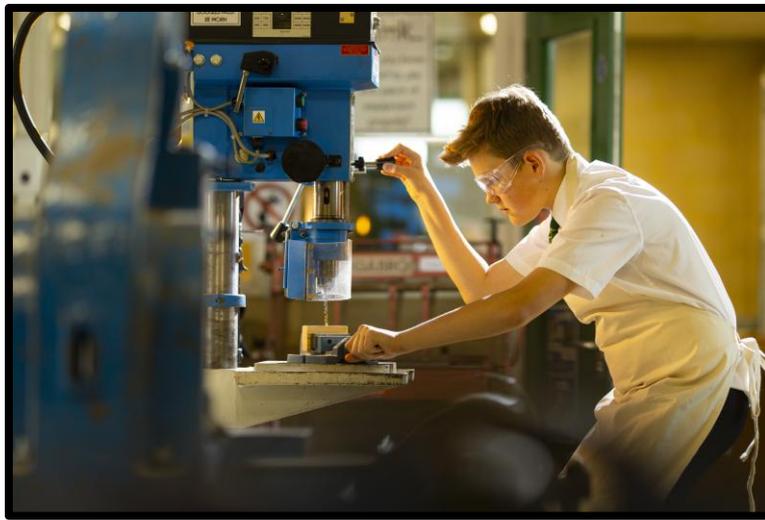

The Art, Design & Technology department is one large faculty in a separate block to the main school building. We have an extensive range of facilities, equipment and materials including a 3-D printer, laser cutter and kiln. In Summer 2023 the 2 food technology rooms were completely refurbished.

THE CURRICULUM

Years 7 to 8

Students are able to explore a wide range of Art, Design & Technology specialisms as part of a termly rotation. Homework is set at the beginning of each term and is devised as a project task, promoting independence and creative thinking.

Year 9

This year we reintroduced Year 9 back into KS3, providing students with a chance to explore deeper into 2 specialisms under the Art, Design & Technology umbrella. We are also completing an Arts Mark accreditation which features within the Year 9 curriculum.

Year 10 and 11

At GCSE we currently offer Art, Craft and Design as well as Three-Dimensional design under the AQA specification. We also offer Hospitality and Catering LV1/2.

Years 12 and 13

We offer Linear 'A' level in Art, Craft and Design which can provide a range of different pathways ranging from Photography through to Three Dimensional Design and Sculpture. Students explore different specialisms at the start of Year 12 which then supports their direction for their personal portfolio.

Educational Visits

Gallery visits form part of all examinations and are seen as an important aspect of the course. The department regularly takes groups of students to relevant galleries and exhibitions to support their coursework. We often provide opportunities for internal and external workshops, ranging from lino printing, oil painting and photography. We recognise how important the creative career industry is so provide a wide range of guest speakers and visits to support career opportunities across all year groups. Students also utilise the local area, including Stanborough Park, for many of their art lessons. The faculty has also been involved in many community projects, such as the WGC Photography Competition and the Art Society. We also lead a number of collaborative projects with local schools as part of the Handside Partnership.

Involvement in School Life

We value cross-curricular links and are often involved in events to support the House System as well as theatre and music concerts. We also utilise the opportunity for cross-curricular links within lessons through schemes of work as well as whole school displays. We thrive on celebrating the success and achievements of our students which is showcased through our annual exhibition.
