About Orton Wistow Primary School

Headteacher: Colin Marks

Welcome to Orton Wistow Primary School and thank you for your interest in our school.

Our PRIDE code (Polite, Respect, Independence, Do Your Best and Everybody Matters) underpins everything we do at Orton Wistow Primary School. It is these values that ensure our pupils become well-rounded citizens who will go on to make a positive contribution to society. Along with our Learning Tools (Responsibility, Resilience, Perseverance, Concentration and Teamwork) we instil in our pupils a love of learning that they will take with them into the future.

The safety, support, happiness and education of the children who attend our school are our priorities. We continue to build on our success each year, never standing still and always looking for what will make a positive difference for our pupils. Our curriculum reflects the needs of our learners and has been developed by

the experienced and passionate staff that work here. We focus on the key knowledge, skills, understanding and vocabulary the children will need in each subject, building on the previous year's learning as they move through the school.

The amazing community and dedication from all groups associated with the school - staff, governors, parents and the pupils - contribute to our aim of developing the whole child within and beyond the curriculum. We work together to motivate our learners, always encouraging their creativity and curiosity.

Thank you again for taking the time to get to know our school, we look forward to meeting you in person.

We pride ourselves on the rich, diverse and exciting experiences that we provide children and that as they move through the school, the children develop the skills that they need to be able to take on responsibilities and important roles in school.

A Brief History

Meridian Trust, formerly known as Cambridge Meridian Academies Trust (CMAT), is a values-led Trust and has risen to be one of the highest performing academy groups in the country. Our Trust was first formed as an educational trust to create a federation of schools in 2006 with a desire to provide high quality and dynamic education for everyone, right in the heart of our community. Through various government policies, our commitment to collaboration has remained consistent.

Meridian Trust was formed in 2011 to deliver more widely on that clear vision to provide high quality and dynamic education for all at the heart of the communities we serve. Our steady growth since then reflects our commitment to the communities we serve and our track record of success. The period since 2018 has seen an increase in speed of growth as many long term projects matured and our relationship with Sharnbrook Academy Federation emerged.

Our Trust currently consists of 36 schools, 19 primary schools, 13 secondary schools, 3 special schools and 1 all-through. The secondary schools include a University Technology College, an Upper School, four 11-16 schools and six 11-18 schools. We also have 2 new secondary free schools in development. All within 20 miles of Cambridge and Peterborough and the main communication routes between. We merged with Cambridge Primary Education Trust to become the Meridian Trust in April 2022. In addition to operating schools, we are the home of the Cambridgeshire and Peterborough Teaching School Hub, and train more than 150 new teachers each year through Meridian Trust ITT. We retain a strong commitment to growing and

supporting staff throughout their training and career development. We have a proven track record of school improvement and transforming the lives of children and young people over the last 10 years.

Students thrive in Meridian Trust academies as a result of the implementation of our values, our successful and proven systems and our commitment to valuing people. We are among the highest performing multi-academy trusts in the country for student progress. Our academies are well-run and our staff benefit from excellent access to professional development.

Our commitment to the education system goes beyond just our own academies. We operate 'The Cambridge Partnership', one of the largest initial teacher training providers in the country which has recently merged with the SAF ITT, and 'Leadership East' these further strengthen our capacity and commitment to professional development. We also provide support through various SLAs to a number of other trusts and academies.

As a strong, regional multi-academy trust we currently operate schools across Bedfordshire, Cambridgeshire, Lincolnshire, Peterborough, and Northamptonshire. We are proud to have strong partnerships within all these communities.
