ABOUT WILLEN PRIMARY SCHOOL

‘A place where EVERYONE flourishes’

Built in 1988, Willen Primary School was created to serve the growing community of Willen and surrounding areas. Now welcoming children from across the whole of Milton Keynes, Willen Primary is a popular and well respected Primary school. With a capacity for 360 pupils from Year R-6, we serve a diverse and exciting community.

We are an Ofsted ‘Good’ school (May 2023) with the potential and determination to be even better.

Our curriculum is bespoke to our children and our aim is for both teaching and learning to be exciting, relevant and enjoyable. With a healthy emphasis on the core curriculum and a commitment to learning through modern technologies, Willen Primary School children receive a broad and balanced education. A strong element of this is also our care for the children; highly trained staff ensure that our children are safe, happy and healthy throughout their time with us.

Our Head (September 2017), Carrie Mathews, has exciting plans for the school and its staff and is committed to their wellbeing in equal measure to the children. Staff recognition, birthday celebrations and staff social events are all standard examples of the ‘Willen Way’.

This is such an exciting time for the school and there is no better time to join us!

When I first started at Willen Primary School I wanted to learn and grow. Willen have provided plenty of opportunities for CPD for me to gain a lot of new skills. ABOUT OUR MULTI-ACADEMY TRUST

The Alliance Schools Multi-Academy Trust consists of six schools in Milton Keynes; 2 secondaries and 4 primaries. We deliver a Maths Hub, a Computing Hub, a SCITT and we are a delivery partner for Early Career Framework.

The aim of the Trust is to provide the best possible education to students between the ages of 3 to 19. We want to grow as a Trust in a measured way and work with schools where we can make a significant difference to the progress and attainment of students.

Our Central Team is committed to delivering an exceptional service with our schools so that each school can have an increased focus on teaching and learning. We have a Scheme of Delegation that empowers schools to meet the needs of the students in their care.

OUR TRUST MISSION AND VALUES

CARE

We are a big organisation with a small feel and offer individualised care to our students.

EDUCATION

We aim to achieve outstanding outcomes for all students, regardless of ability or background.

OPPORTUNITY

We have a responsibility to enrich, broaden and deepen students' learning by providing valuable experiences inside and outside the classroom.

OUR TRUST VISION

In the Alliance schools we harness ambition by delivering excellence and enriching the lives of all children within the Trust. Each of our schools has its own distinctive character and is at the heart of their local community.

WHY WORK FOR ALLIANCE SCHOOLS?

PAY

Our salaries are nationally benchmarked and aligned to STPCD and NJC scales, with annual cost of living increases and performance based pay rises.

PENSION

All teachers are entitled to receive the Teachers' Pension, while associate staff are automatically enrolled in the Local Government Pension Scheme.

LEARNING & DEVELOPMENT

We pride ourselves on prioritising staff development with support from experienced leaders and partnerships with the SCITT, Maths Hub, Computing Hub and Early Careers Framework.

MENTAL HEALTH

From Day 1, all staff will have access to an Employee Assistance Program (EAP) and on-site support from HR and trained mental health first aiders. Our policies are designed to support you through various life stages, including flexible working arrangements and menopause support.

PHYSICAL HEALTH

Our Cycle to Work scheme promotes healthy and sustainable commuting options. We also give all staff the option to have a free flu jab annually.

LIFE OUTSIDE WORK

We understand the importance of work-life balance and have policies in place to support it. That's also why all staff have an additional leave entitlement so they don't miss out on important personal events like weddings and graduations.

LIFE IN MILTON KEYNES

Established just over 50 years ago, Milton Keynes is a diverse, welcoming and expanding place. Beautiful open spaces sit alongside popular leisure attractions, there's lots on offer culturally, and our friendly neighbourhoods feature high quality community facilities with easy ways to get around on foot and by bike as well as by car.

Milton Keynes is 40 minutes from London, 30 minutes from London Luton Airport and a stop on the West Coast Mainline, connecting Scotland and the North West with the capital.

We're known to be a 'smart city', leading the way in projects like autonomous vehicles and robot deliveries, and we have a strong economy with plenty of highly skilled jobs. We also have a great deal of unexpected history with rural villages and busy towns like Bletchley (home of The Codebreakers).

Facilities include a large shopping centre (over 190 stores), a 1400 seat theatre, a municipal art gallery, two multiplex cinemas, an ecumenical central church, a 400 seat concert hall, a teaching hospital, a 30,500 seat football stadium, an indoor ski-slope and a 65,000 capacity open-air concert venue. Seven railway stations serve the Milton Keynes urban area (one inter-city). The Open University is based here and there is a small campus of the University of Bedfordshire.

Most major sports are represented at amateur level; Red Bull Racing (Formula One), MK Dons (association football) and Milton Keynes Lightning (ice hockey) are its professional sports teams.
