Are you a passionate, inspiring peripatetic music teacher looking to make a positive impact on the learning and cultural enrichment of pupils? We are seeking to appoint an enthusiastic, experienced, and talented individual to join our thriving school and provide high-quality music tuition to our students.

**Selly Park Girls' School is a thriving, well-maintained school with a proven track record of academic excellence. We are proud to have been recognised with numerous awards, including Secondary School of the Year in 2018 and 2022. We have also achieved Pearsons Secondary School of the Year silver award in 2025 and Staff Wellbeing School of the Year in 2024/25, as well as a range of accolades for our commitment to equality, diversity, health and well-being, SEND progress, and safeguarding.**

The school is looking to appoint a well-qualified, excellent practitioner to deliver high-quality one-to-one and small group lessons in keyboard and voice, with the possibility of teaching drums and guitar if able. The tuition will be delivered separately from the standard curriculum, offering pupils additional opportunities to develop their musical skills.

The successful candidate should be a musician and teacher of imagination and commitment, able to teach piano and voice, and keen to work with pupils of all abilities in a well-resourced and forward-thinking department.
