# 01. Welcome from the CEO

## Welcome from the Chief Executive

Thank you for your interest in joining Academy Transformation Trust. Choosing the right next step in your career is an important decision, and I am delighted that you are considering doing so with us.

At ATT we are driven by a simple but profound belief: every child can and should become capable, competent, and confident. Our purpose is to transform lives through education, and our strategy, ATT2030, sets out how we will achieve this for every pupil, every colleague, and every community we serve.

We know that people are at the heart of everything we do. Our trust thrives because of the talent, dedication, and values of our colleagues. If you choose to join us, you will become part of a high-trust, high-accountability organisation where principals are empowered to lead, colleagues are supported to grow, and everyone is united in the moral purpose of education.

We are ambitious for our pupils and ambitious for our people. Across the trust you will find a culture of collaboration, professional excellence, and deep care for one another. We celebrate hard work, integrity, and teamwork, and we create opportunities for everyone to flourish.

I wish you every success with your application. Whether or not you go on to join us, I hope you will recognise that ATT is a community committed to excellence, to belonging and becoming, and to ensuring that all of us – pupils and adults alike – leave more capable, more competent, and more confident than when we arrived.

With best wishes,

**Mark McCourt**  
*Chief Executive Officer*

## 02. About Academy Transformation Trust

### About Academy Transformation Trust

At Academy Transformation Trust (ATT), our ambition is that every person who passes through our schools and colleges becomes an educated person – able to take a rightful place in the community of educated people and to join what Robert Maynard Hutchins called “the Great Conversation.” An ATT education stresses history, the scientific mode of thinking, the disciplined use of language, a wide-ranging knowledge of the arts and religion, and the continuity of human enterprise. We aspire for everyone, regardless of their starting point, to leave us capable, competent, and confident.

### Our Values

ATT2030 sets a values-driven culture that is explicit about how we work and lead:

- **Belonging & Becoming:** we meet each child where they are and refuse to leave them there – giving them both roots and wings.
- **Integrity & Excellence:** we act ethically, celebrate excellence, and pursue high standards in all that we do.
- **High Trust, High Accountability:** decision-making sits close to pupils and communities; principals are trusted as strategic leaders; the central team acts as expert partner; accountability is professional, dialogic, and focused on learning and improvement.

### Our Three Goals

Everything in ATT2030 is organised around three interlinked goals that describe the kind of people – pupils and adults – we are forming:

- **Capable:** equipped with the knowledge, skills, and emotional readiness to perform to a high standard, adapt to change, and contribute meaningfully.
- **Competent:** possessing the knowledge, habits, and judgement to get things done – well, reliably, and independently – handling setbacks and making steady progress.
- **Confident:** feeling safe, happy, and known – secure enough to take risks, speak up, and grow with purpose and integrity.

## Our Nine Aims (by 2030)

These goals translate into nine aims that define success for ATT by 2030:

### Capable

1. Professional Excellence – skilled professionals delivering consistently high standards.
2. Fluent Learners and Thinkers – confident, curious learners fluent in communication and technology.
3. Multiple Pathways to Success – diverse routes that recognise varied talents and passions.

### Competent

4. Purposeful, Knowledge-Rich Learning – rigorous, meaningful learning that enriches lives.
5. Unwavering Focus – purposeful use of time and energy on what matters most.
6. Strength Through Challenge – resilience built by tackling challenge and learning from it.

### Confident

7. Valued and Empowered Individuals – everyone known, valued, and supported to be their best.
8. Leading with Integrity, Celebrating Excellence – values-led leadership and cultures that recognise excellence.
9. Moments That Shape Us – deliberate rites of passage and significant experiences that foster growth and self-discovery.

## Our Approach to Working Together

We are building a high-trust, high-accountability organisation. Principals are empowered as strategic leaders of their academies; the central team provides expert challenge, support, tools, and evidence; accountability is reframed as professional dialogue aimed at continuous improvement, not blame. This is how we ensure that every child leaves us capable, competent, and confident.

## 03. Academy Information

Iceni Primary Academy is on a journey to transform the lives of all students and staff with whom we work.

We are determined to give our students the very best education possible so they can realise their full potential and succeed in their later lives, by offering them a broad and balanced knowledge-rich curriculum, rooted in strong pedagogy, throughout their time studying with us. We hold this as the gold standard for all our students, with Ofsted inspectors particularly noting that ‘Leaders....have high expectations of pupils with special educational needs and/or disabilities (SEND).’

The pursuit of academic excellence is paramount, but the learning experience for Iceni Academy students extends far beyond the classroom. Personal development is valued in the same way as achievements in examinations, and we relentlessly celebrate success in all its forms. We support our students to develop a strong sense of responsibility as global citizens, underpinned by our academic motto: ‘Grow, Learn, Succeed’.

Our communities of Mandela, Attenborough, Pankhurst and Nightingale reflect the attributes we teach our students to have, and the values we wish them to hold throughout their lives. We teach behaviour and self-regulation as a curriculum, knowing that these skills will help our students excel in later life.

We care passionately for our staff, and place people development at the heart of our offer to them. From an in-house coaching programme for teaching staff and research-led project groups for all, and from a well-stocked CPD library to access a wealth of opportunities afforded by the ATT Institute, we are committed to supporting all colleagues develop to be the best that they can be. We work closely with the Trust and colleagues at other ATT academies to share shining examples of best practice in all of our teams.

Iceni Primary Academy is set in the heart of beautiful Norfolk in a tranquil, rural village, just 15 minutes from the A11 and 20 minutes from the A14.
