MIDDAY SUPERVISORY ROLE

Dear Candidate,

Thank you for showing an interest in the midday supervisory role in our school.

Downside Primary School is a large five form entry primary school, with 35 classes in total. Lunch time is a busy time in our school, as over 1000 children need to eat their dinner and have a safe, fun play. Midday supervisors take care of a class in the dinner hall and then spend time out on the playground.

The role:

We have a vacancy on our MDS team, the key stage is yet to be decided. Midday supervisors work 2 hours a day, although the exact hours of the role vary depending on the year group. However, a rough guide would be 11:30am / 11:45am – 1:30pm / 1:45pm.

If you are interested in this post, please complete the application form, ensuring that the supporting letter refers closely to the person specification.

The closing date for the post is Midday on Monday 28th September and we will be holding interviews the following week.

During the interview process, there will be a reading and writing task to assess suitability for the role. Should you have not heard by Friday 2nd October, you have been unsuccessful on this occasion.

Yours sincerely

K. Hooker
