Welcome

Dear Potential Applicant

Thank you for your interest in working at DUCKS, Dulwich College. We are a school committed to providing a wealth of opportunities to all children and colleagues within a nurturing, equitable and caring ethos, and to an ambitious educational vision and social mission. Our educational vision is to provide an inspiring education based on the primacy of the classroom within a holistic education; our social mission is to provide access to our education for children of all backgrounds through our bursary provision and the partnership and outreach work carried out by pupils and staff.

The College is served by a dedicated and increasingly diverse staff body, comprising some 250 teachers and over 350 operational staff colleagues, who work with a pupil body of around 1,850 across the Senior and Junior Schools and in our co-educational nursery and infant school at DUCKS.

DUCKS children are characterised by their enthusiasm for learning, their ability to embrace opportunities beyond the curriculum, think creatively, and ability to work diligently. Our broad and balanced academic curriculum reflects these aims with its emphasis on the development of independent, creative thinking based on practical knowledge and conceptual understanding. We provide a secure yet challenging environment, which encourages participation, curiosity and enquiry. You will see this philosophy being adopted from the youngest of our pupils at DUCKS and the Junior school to those that are about to leave the senior school where we also look to embed Free Learning at the heart of what we do in the classroom.

DUCKS and the Junior School have their own management teams but academic policy and teaching and learning matters throughout the College are discussed at fortnightly meetings of the Educational Leadership Team.

Do read the profiles of some of our DUCKS staff in this candidate pack, where you'll also find details of some of the benefits of working at Dulwich. DUCKS, Dulwich College is an excellent place to work where we help staff develop their expertise and experience.

You can find out more about every aspect of a College education and our commitment to our wider community on our website www.dulwich.org.uk

DUCKS Kindergarten & Infants' School

DUCKS is a coeducational Kindergarten & Infants' School offering an exceptional setting for children aged 6 months to 7 years of age. Surrounded by green open spaces, our dedicated and highly skilled team create a caring and nurturing environment where children grow in confidence as they start that all important learning journey.

The DUCKS campus is a short walk from the main College, offering an atmosphere of security and space for the youngest pupils. Both the Kindergarten and Infants' School are self-contained buildings and adjoining them are playgrounds, sports pitches and extensive playing fields. There is also a pond and an orchard, used for forest school.

Learning through play, learning through the environment and learning through meaningful and engaging experiences are key elements that build the foundations for a love of learning.

Tayo Davy PE
Co-ordinator

I began my Dulwich College journey as a pupil at the College. During and after my time at university I was fortunate enough to work in the Operational Department in both the Events and Sports Departments. My experience of Dulwich life has been fun, varied, educational and extreme-

For over a dozen years I have had the fortune to work at DUCKS as the PE Co-ordinator. My secondary role, though minor, is as a Swimming coach for the Junior and Senior School. I am able to see young athletes progress from picking up a ball, making their first catch or learning how to do their first strokes in the pool, to progressing their passion for sport as they grow. DUCKS has allowed me to grow as a teacher and broaden my outlook to be much more community facing. Through sport the DUCKS children learn transferable skills including being com-

Tracey Greenwood Assistant
Kindergarten Manager

Straight after graduating as a qualified Child Care Practitioner, I applied for a role at DUCKS. At that time, the Kindergarten was just a year old. It is hard to believe that was almost 30 years ago. Since then, I feel proud to have played a part in what has been an incredible journey. From such humble beginnings of a pack away nursery to standing here today and being part of the thriving Kindergarten and Infants school that has become one of the five schools of Dulwich College.

Our culture of learning through play has always been at the heart of what we do and encourages our children to develop their imagination and explore new experiences in the world around them, all whilst offering a rich and diverse curriculum embedded in the EYFS. We are surrounded by such amazing outdoor spaces and have fantastic resources that underpin our purpose of providing high quality care, building great relationships with our children and families to create a real sense of community.

Alejandro Piorno Lopez
Early Years Practitioner

I graduated from Salamanca University with an Early Years and Primary degree. I moved from Zamora in the northwest of Spain to London where I have been working in education for the last 6 years. I am currently in my second year at DUCKS. I am a very active, enthusiastic and creative person and very much enjoy working within my team, paying attention to the children's needs and interests and offering them opportunities to develop their potential.

The large Forest School provision is a huge asset to the environment and to the children at DUCKS. I have recently been given the opportunity to complete my Forest School training and have qualified as an additional Forest School Leader at DUCKS. In addition to this I have taken part in Children's Illustration workshops with the artist and writer, Marta Altés, author of many children's books such as 'Avery'. This has been a very enjoyable experience and has inspired me to one day write and

Emily Lynch PA to
Head of DUCKS

Moving from banking to the education sector was a transition I thoroughly enjoyed. Being a Personal Assistant in the City, working for a number of senior managers provided me with many years of transferable skills.

I am now in my eleventh year at Dulwich College and have worked under four Head Teachers at DUCKS who have all been excellent leaders. My role as PA to the Head of DUCKS is incredibly varied and my responsibilities have grown over the years, now including DUCKS Co-Curricular Coordinator.

I am proud to work in such a supportive and immensely rewarding role that is not only limited to an office but also supporting the wellbeing of the children.
