A MESSAGE FROM OUR HEADTEACHER

Dear Applicant,

Thank you for considering a position at RMS for Girls. I very much hope that reading this information pack will encourage you to make a formal application. Of course, before doing so you will wish to gather as much information as possible about the School and I'm sure that you will explore our website and perhaps even read our latest inspection report.

But that will all only provide you with part of the picture. It is often when you arrive at a school that you get that gut feeling that tells you that it "just feels right". I joined RMS six years ago and from the moment I walked through the door, I knew that it was the school for me.

RMS is spectacularly beautiful and, when you first arrive here, it is hard not to be charmed by the impressive architecture and our glorious grounds. We are proud of our stunning surroundings and the sense of history that pervades the school. We are steeped in tradition and never more so than when Drill takes place in the Michaelmas Term each year. But it is equally true to say there is nothing stuffy or old fashioned about RMS. We are a modern, forward thinking school, working to help our pupils to prepare for the challenges of a world that is evolving at a pace that none of us could have envisaged just a few years ago.

As I walk around the school, I am constantly struck by our pupils' verve and zest for life. They are incredibly proud of RMS, and their energy not only drives what we do but is also highly infectious. A quick look at our social media feeds will show you that there is no such thing as an average day at RMS.

We know every pupil as an individual and we ensure that every pupil thrives. The breadth and depth of opportunity available to the pupils is extraordinary and, over the time that they are with us, it is a joy to watch their confidence grow as they fully embrace the many experiences the school offers.

New academic staff consistently comment on how much they are enjoying their time in the classroom and the joy of marking RMS homework. Yes, this last statement is genuinely true! RMS pupils wish to succeed and do well, and helping them is wonderfully rewarding.

So what else can you expect if you were to join RMS? Well, we absolutely value our staff. Great teachers are ever more difficult to recruit and we firmly believe in giving all colleagues opportunities to develop their careers within the school. External CPD is important, but we also offer internal training such as our Emerging and Developing Leaders who are helping to drive change whilst broadening their own skill sets.

And, there is no shortage of innovation here. RMS Edge, our inspirational Sixth Form programme, is a perfect example of what we do best in providing pupils with a rounded sixth form experience that prepares them for the twenty-first century and that also ensures they have ambition, drive and high expectations of themselves.

Many of our staff live on site. We have fifty residential properties spread around the grounds, and RMS has a strong family ethos. There are staff who have come here as ECT's as well as many experienced teachers who have a wealth of wisdom which they are happy to share.

For those who want the bright lights, thirty minutes on the tube will get you to Central London, and for those who don't, a walk around our 315 acres of parkland on a summer evening is hard to beat. We are a friendly bunch and you would be made to feel very welcome very quickly whether you live on site or not.

In a highly competitive market, RMS continues to thrive. For the last two years CEM have said our academic value added is above 90% of Independent Schools and "this performance can be attributed with confidence to the teaching and learning at RMS" We are excited about the prospects for the next few years as we work together to move the school forwards.

I do hope that you will decide to make an application to join us on that journey and to come in to see the school for yourself so that we will have the chance to meet in person.

Very best wishes,

Kevin Carson
Headteacher at RMS for Girls

ABOUT RMS

RMS has an exceptional, unusual and distinguished history

One of the oldest girls' schools in the country, the School was founded by Chevalier Ruspini in 1788 with the purpose of educating the daughters of Freemasons who were unable to support their families through death, illness or disability. The School started with fifteen pupils and a matron in Somers Place in East London and moved twice within London until it finally settled in the magnificent grounds of Rickmansworth Park in 1934. The School became an open fee paying school in 1978 and accepts girls from all backgrounds and faiths. The majority of families associated with the School have no links with Freemasonry, with our name now largely being a reference to our past.

RMS is a day and boarding school, attracting day pupils from across Hertfordshire, Middlesex Buckinghamshire and North London, and boarders from all over the world. It is located within easy reach of Central London (30 minutes by train/underground), and is just under a mile from Junction 18 of the M25 motorway.

The School comprises of Ruspini House, a Nursery School for boys and girls aged 2 to 4, Cadogan House, a Prep School for girls aged 4 to 11, the Senior School and Hind House Sixth Form Centre. The School currently has around 900 pupils, of whom 36 are in the Nursery, 175 in the Prep Department, 490 in the Senior School and 180 in the Sixth Form. Entry is competitive at 3+, 4+, 11+ 13+ and 16+. with a few pupils joining us at other times if places are available. Once in school pupils transfer seamlessly through the year groups with places guaranteed at each key transition point.

Our public examination results are consistently impressive, and around 99% of pupils leave RMS to take up places at university, 90% at their institution of first choice.

OUR VALUES

The RMS Values are embedded in the School's ethos and, as a community, they underpin the way we work, learn and grow together

There are six core values and the emphasis on these permeates every aspect of the life of the School. Pupils who demonstrate putting them into action in their daily life are recognised and rewarded. The Ashlar is a 'polished cornerstone' and it is a valued award given to pupils in recognition of their hard work, demonstration of the School values and contributions to School life.

Our teachers describe the pupils as willing learners who ask lots of questions, not because they haven't been listening, but because they have boundless intellectual curiosity and the confidence to question and explore beyond the curriculum. The pastoral teams are very strong and so issues are picked up quickly and the focus is on nurturing the whole child not simply their academic performance.

The broad co-curricular offer at the School and the small class sizes mean that teachers get to know each girl well and can become more actively involved in what they are doing outside the classroom. Perhaps the greatest endorsement of this approach comes from talking to teachers who have recently joined RMS who typically make comments like, "not only are the students respectful, they are excited to come to my lessons and are full of life".

A Head of Department who joined the team recently feels that because the pupils are attentive, there is space in lessons to go beyond the curriculum and do things that he wouldn't have considered in his previous job. Another said, "working at RMS goes beyond my expectations, your days glide by and teaching here is a really rewarding and positive experience". It is with enormous pride that, as a team, both academic and support staff work together to inspire our pupils to discover their passions and personal voice to enable them to forge their own unique futures as successful women of the 21st century.

PERSISTENCE

OUR PUPILS

Life at RMS is centred around more than just academic success

The School is well known for its exceptional pastoral care, the wealth of extra-curricular opportunities it offers, and its commitment to a values-based education. By offering a nurturing, inclusive and supportive environment where each child is esteemed as an individual, capable of success, we encourage our pupils to become happy and aspirational learners from their early years in Ruspini House all the way through the School to the Sixth Form in Hind House.

As Miranda and Evie, recent Head Girls, put it, “At RMS, students develop the confidence to challenge themselves. We’re supported in taking every opportunity that we’re presented with, both academically and in the very wide range of extra-curricular activities on offer. We are encouraged to be intellectually curious learners, and so enjoy engaging in discussions in lessons and exploring new ideas with our teachers.”

In addition, something that every student and staff member at RMS will comment on is the strong sense of community; we are supportive and inclusive (and have a good sense of fun), all sharing a common goal of becoming moral, well-rounded people. As such, we focus on core values such as responsibility and compassion, and aim to develop the transferrable skillset that will allow us to embrace life’s challenges with confidence.

The Independent Schools Inspectorate visited in May 2022 assessed the school as being “excellent” in all areas for the Educational Quality Inspection. RMS attained the highest judgement that a school can be awarded. “Pupils’ attitudes to learning are excellent; they take control of their learning, relish challenge, and develop confidence, self-belief and a love of learning.”

The report also states that the school “successfully meets its aim to produce young women who have great self-belief, are self-aware and take the values of the school with them so that they are well placed to be outstanding citizens of the 21st century.”

We are delighted to announce that we fully met all standards in our ISI inspection in February 2026.

THE DEPARTMENT

The Science Department

The Science Department is forward thinking, well-resourced and is set in its own purpose built building. It has eleven fully fitted laboratories and we are extremely privileged to be one of very few schools in the UK to have its own telescope and planetarium to support the teaching of Astronomy topics across the curriculum.

Pupils enjoy further exploration of Science outside of lessons by engaging in the numerous STEM activities on offer. Science clubs leading to prestigious Crest Awards are offered to pupils at Key Stages 3-5. Our most able and interested pupils are offered the opportunity to attend stretch and challenge sessions and act as presidents and vice-presidents in the school's medical society. We make the most of our exceptional grounds in our teaching and are establishing a forest school for use across the curriculum. Science pupils have the opportunity to go on a variety of trips both locally and overseas including CERN, NASA and Mexico for Biodiversity and conservation research.

Our pupils' passion for science is evident in the number of winning entries to national competitions, including Biology and Chemistry Challenge, Biology, Chemistry and Physics Olympiads, F1 in schools and CANSAT.

We have an ever increasing number of pupils choosing to study the subject science subjects at A Level. The department leads many co-curricular activities, including offering personalised support to potential vets, medics and dentists.

THE ROLE

Teacher of Science Biology and Chemistry Full time

This is an outstanding opportunity for an enthusiastic, inspirational and highly motivated professional to teach Biology and Chemistry within a talented and forward-thinking Science department. Science results are excellent, and we have a good number of girls at an Advanced Level. The promotion of STEM subjects is a feature of RMS.

This post would be ideally suited to a dynamic, passionate and highly qualified teacher with experience of teaching both subjects to Key Stage 4 and with the potential to teach at least one to A Level.

Working with our experienced teachers and technicians the successful candidate can expect to teach across the full range of abilities, whilst developing their own individual role within a very supportive environment. This post would be suitable for an experienced teacher or an ECT.

A full job description and role profile can be found on our [website](#).

TERMS OF EMPLOYMENT

We work closely with all our staff to create a workplace that is well-balanced, fulfilling, and happy

TERMS OF EMPLOYMENT

- Full Time
- Permanent
- Staff Pension Scheme, Group Life and Group Income Protection Insurance

DISCLOSURE AND BARRING SERVICE

The School is a “Registered Body” under the provisions of the Police Act 1997 because employment at the School involves access to children under the age of 18. This post will be subject to the receipt of overseas criminal records check (where appropriate) and will require an Enhanced Disclosure Certificate (with barred list) from the Disclosure and Barring Service (DBS) before an offer of employment can be confirmed.

SAFEGUARDING CHILDREN

The post holder’s responsibility for promoting and safeguarding the welfare of children and young persons for whom they are responsible, or with whom they come into contact, will be to adhere to and ensure compliance with the School’s Safeguarding Policy Statement at all times. If in the course of carrying out the duties of the post the post holder becomes aware of any actual or potential risks to the safety or welfare of children in the School they must report any concerns to the Headteacher. In addition to the candidate’s ability to perform the duties of the post, the interview will explore issues relating to safeguarding and promoting the welfare of children, including;

- Motivation to work with young people
- Ability to form and maintain relationships and personal boundaries with young people
- Emotional resilience in working with the challenges that young people present
- Approach to the use of authority and maintaining discipline

EMPLOYEE BENEFITS

There are a number of great benefits available to all staff at RMS for Girls.

FINANCIAL BENEFITS

- School fee discount – subject to the terms and conditions of the policy.
- Pension scheme with salary exchange and cash allowance options
- Life Insurance cover for eligible staff
- Accommodation on site at discounted rates (subject to the terms and conditions of the policy)
- Personal effects insurance

EMPLOYMENT BENEFITS

- Enhanced maternity, paternity, and adoption pay
- Extensive professional development programme (external and internal training available) with a generous budget and a dedicated conference room
- Sabbatical policy
- Eyesight testing

OTHER STAFF BENEFITS AND DISCOUNTS

- Access to an Employee Assistance Programme, offering Digital GP, annual health check, Mental Health Consultations for you and your family
- Free use of the onsite Fitness Facilities
- RMS Staff Association – numerous social events throughout the year
- Wellbeing group with varied initiatives and a weekly programme of staff activities free of charge (e.g. yoga, swimming, knitting)
- Discounted facility hire
- Cycle to work scheme
- Free travel on the school coaches subject to availability
- Free lunch time meal and snacks at morning break
- Free flu vaccination
- Library - the school allows all staff to become full borrowing members on joining.
- Events: Access to School concerts and performances at no cost.

THE APPLICATION PROCESS

- 01 **Complete an application form** Please complete the application form on My New Term via our website. If you have any questions, please contact us on 01923 725091 or email: hradmin@rmsforgirls.com
- 02 **Closing Date** Monday, 20 April 2026 by 9.00am.

We reserve the right to close this vacancy early if we receive sufficient applications for the role. Therefore, if you are interested, please submit your application as early as possible.
- 03 **Interview** Interviews will likely take place week commencing 27 April 2026.
