Introduction

Waseley Hills High School is a special place with a real sense of community, togetherness and purpose. The school community is made up of fantastic students, supportive parents and carers, and of course dedicated staff.

Our vision for the school is underpinned by three pillars: *Aspire, Invest and Respect*. By working together, with a common goal of students having the very best education and experience, we believe that our young people can flourish and become the best versions of themselves. We nurture every student's natural curiosity, providing them with life enriching opportunities to develop socially, academically and morally. Students at Waseley develop confidence, resilience, respect for others and a life-long love of learning. Our vision is for students to aspire to great things and become respectful members of the wider community.

Being part of the Central Region Schools Trust, we are able to both provide and draw on expertise from within our network to underpin our commitment to provide exceptional quality education for all of our students. We believe that students can achieve brilliant things irrespective of their starting points and we always have the highest expectations of every one of our students. We expect them to always wear their uniform smartly and with pride, to behave well and to model the school values by trying their absolute best in all activities they take part in. We aim to support every student by working in partnership with parents and carers, keeping them informed about the achievements of their children and asking them to keep us informed about what is happening at home.

Through developing a strong partnership between school and home we aim to ensure that students are fully supported to develop in a safe environment. Our vision is that this investment in our young people is what allows them to flourish.

However, we believe that is always further improvements to strive towards. We are committed to developing our practice, in partnership with our community, to ensure that every student can leave school having reached their potential and feeling happy. We value every child and live by the mantra of no child left behind as we support them through their journey at secondary school.
