Midday Supervisory Assistant

To start ASAP

Full time, term time only

£22,413.00 annually (FTE)

Due to expansion, we are looking to recruit a **Midday Supervisory Assistant**. Your role will be every day, two hours a day, to support the busiest, but most fun time of the school day. Children are at the heart of this role, so someone who is comfortable assisting with children doing physical tasks is going to be a great fit.

The ideal candidate will have an enthusiasm for play, and who are willing to use their initiative to make the lunch break fun, enjoyable and safe for our children.

The role will involve working as part of an established skilled team to support pupils with complex learning difficulties. It will involve supervising children in their outside play and in the dining room, promoting social and self-help skills. Some pupils will also require support with their personal care.

Experience of working with children with SEN would be an advantage as would a first aid qualification but is not essential as we will offer training. You will be required to attend training sessions / days when necessary to ensure pupils receive the highest quality care and support.

The school is committed to safeguarding children and young people.
This role is working 7.5 hours a week, term time only.
