About Weldon Village Academy

Weldon Village Academy, which opened to its first cohort of Year 7 students in 2023, represents a hugely exciting prospect for all families in the area, and we aim to provide an outstanding education for our students. A brand new, dynamic school, overseen by the established and successful Meridian Trust, we are proud to have already established ourselves as the school of choice for local families.

I'm thrilled to lead a team who create a safe, vibrant, and inclusive learning environment where students can thrive.

At Weldon Village Academy, we aspire for all students to achieve their potential, both academically and as well-rounded members of society. To support students' understanding of how best to learn and conduct themselves, we refer to The Three Cs as qualities they should aspire to:

- **CARING** students listen, respect, and encourage each other to do their best. They are kind, tolerant, and understanding of one another.
- **CURIOS** students are interested in lessons, ask questions, are willing to 'have a go,' take ownership of their learning, and always try to improve.
- **COMMITTED** students take pride in their work, are on time, ready to start quickly, with the right equipment. They engage in extracurricular activities and take opportunities to excel.

The academy is underpinned and supported by the ethos and values of Meridian Trust. The core of this philosophy is:

- Achievement for All
- Valuing People
- A High-Quality Learning Environment
- The Pursuit of Excellence
- Extending the Boundaries of Learning

I look forward to working with you as we create a new legacy. Together, we will build a place where students can thrive, discover their passions, and reach their full potential.

Principal

A Brief History

Meridian Trust, formerly known as Cambridge Meridian Academies Trust (CMAT), is a values-led Trust and has risen to be one of the highest performing academy groups in the country. Our Trust was first formed as an educational trust to create a federation of schools in 2006 with a desire to provide high quality and dynamic education for everyone, right in the heart of our community. Through various government policies, our commitment to collaboration has remained consistent.

Meridian Trust was formed in 2011 to deliver more widely on that clear vision to provide high quality and dynamic education for all at the heart of the communities we serve. Our steady growth since then reflects our commitment to the communities we serve and our track record of success. The period since 2018 has seen an increase in speed of growth as many long-term projects matured and our relationship with Sharnbrook Academy Federation emerged.

We are currently a family of 36 academies (including 19 primary, 3 special, 13 secondary schools and one all through). The secondary schools include a University Technology College, an Upper School, four 11-16 schools and six 11-18 schools. We also have 2 new secondary free schools in development. All within 20 miles

of Cambridge and Peterborough and the main communication routes between. We merged with Cambridge Primary Education Trust to become the Meridian Trust in April 2022. In addition to operating schools, we are the home of the Cambridgeshire and Peterborough Teaching School Hub, and train more than 150 new teachers each year through Meridian Trust ITT. We retain a strong commitment to growing and supporting staff throughout their training and career development. We have a proven track record of school improvement and transforming the lives of children and young people over the last 10 years.

Students thrive in Meridian Trust academies as a result of the implementation of our values, our successful and proven systems and our commitment to valuing people. We are among the highest performing multi-academy trusts in the country for student progress. Our academies are well-run and our staff benefit from excellent access to professional development.

Our commitment to the education system goes beyond just our own academies. We operate 'The Cambridge Partnership', one of the largest initial teacher training providers in the country which has recently merged with the SAF ITT, and 'Leadership East' these further strengthen our capacity and commitment to professional development. We also provide support through various SLAs to a number of other trusts and academies.

As a strong, regional multi-academy trust we currently operate schools across Bedfordshire, Cambridgeshire, Lincolnshire, Peterborough, and Northamptonshire. We are proud to have strong partnerships within all these communities.

About Us

Weldon Village Academy will be the thirteenth secondary school in Meridian Trust and will grow to become a school of 1500 students, including a 6th form of 300. Situated in a new and growing housing estate in Weldon, approximately 2.5 miles from Corby town centre, it will be one of the most technologically advanced schools in the country. The school will be fully built upon opening, rather than a modular build, with excellent sporting facilities including a full-sized sports hall. We are excited to begin this new journey for the trust and the young people of Weldon and the surrounding area, and hope that you will apply to join us on this unique journey.

Weldon is a suburban village and civil parish on the eastern outskirts of Corby, Northamptonshire. The village is listed in the Domesday Book as 'Weledene', in the Colby Hundred. In 2001 the parish's population was 1,644 people, increasing to 2,099 in the 2011 Census. Weldon is growing at a rapid speed with the arrival of the new building developments 'Weldon Park', 'Weldon Manor' as well as 'Priors Hall' located on the outskirts of the village.

There are regular bus services from Weldon to Corby and further afield (X4 Milton Keynes – Peterborough – Milton Keynes).

Corby lies to the north of Northamptonshire and is the 11th smallest local authority in the UK, it covers 31 square miles and is situated in the heart of England with excellent road links via the A14 to the M1, M6 and A1, together with a direct passenger rail service to London. Corby has been named as the fastest growing borough outside of London, with a population (standing at 72,200 in 2019 according to Nomis) which is expected to continue increasing as the borough continues to grow.

The town was at one time known for its steelworks. Recently, Corby has undergone a large regeneration process with the opening of Corby railway station and Corby International Pool in 2009 and the Corby Cube building in 2010.
