

Teacher of Maths

Dear Applicant,

Thank you for taking the time to explore this opportunity with us at Endeavour Learning Trust.

Finding the right place to work means discovering somewhere you feel you truly belong. As you read through this pack, I hope you get a sense of what makes our Trust special: a community of people who care deeply about one another, about the children and families we serve, and about doing this work in a way that feels human, respectful, and full of purpose.

At Endeavour, we are proud of the diversity across our schools. We want people to feel they belong here and to bring their whole selves to work, with all their individuality, experience, and perspective. We believe that approach strengthens us as a Trust and enriches the lives of our children and young people.

We are a growing family of schools across the North West. Each school has its own identity and context, and that matters to us. What connects us is a shared commitment to inclusion, kindness, and ambition for every child. We believe deeply that education should recognise each child as an individual. Every child matters, every colleague matters, and every school matters.

Collaboration sits at the heart of how we work, but it is grounded in trust and respect rather than uniformity. It is about supporting one another, learning together, and knowing you are part of something bigger. Just as importantly, we place real emphasis on looking after our people. We want every colleague to feel supported, trusted, and able to grow both professionally and personally.

If you are someone who wants to make a difference, values community, and is looking for a place where you can be yourself and continue to grow, I hope you will feel at home here.

Thank you again for your interest in joining us. We look forward to receiving your application.

Warmest regards,

Endeavour Learning Trust's Mission and Values

We will serve our communities to ensure that every child realises their potential

We pledge that our schools will be transformational places of academic excellence that offer a true richness of experience, providing all children with the same opportunities to flourish and develop their unique skills, qualities and talents.

We will work collaboratively with our colleagues, parents and carers and our partners to remove any barriers that place limitations on our children, creating schools that are happy and harmonious places at the centre of their community.

Our Values

Individuality

We are firmly committed to recognising, celebrating and investing in the individuality of all of our children and young people, each of our colleagues and the distinct ethos and identity of each of our schools, whilst remaining united by our core values. We don't believe in a "one size fits all" approach, and will adapt our provision to meet individual needs.

People centred

Our work is driven by our responsibility to every individual within our Trust community. Every person deserves to be treated with respect, dignity and kindness. We demonstrate empathy and humility in our approach, ensuring that our Trust provides an environment where every individual feels confident to be their true authentic self.

Belonging

Equity of opportunity is central to our practice and we will be relentless in our endeavour to identify and remove barriers that prevent full inclusion. Our culture extends beyond tolerance to one where difference is embraced and every individual is valued and celebrated for their unique contribution to our community. Every individual is a full member in our community.

Transformation

We believe in the promise of each individual across the Trust and will ensure we inspire, support and challenge in proportionate measure, so that we all thrive and are able to achieve our own individual successes. We are bold in our approach, stretching perceived boundaries, to go further for our children, colleagues and communities. We continually develop our approach to respond to changes in the communities we operate within to support every child, colleague and partners to realise their potential.

Togetherness

We are a proud family of schools bonded by our Trust vision, priorities and values. We work as one team in school, across our Trust and with our wider partners for the benefit of the communities we serve. Our collaborative approach inspires us to be bold and brings us together in ways that help us to make a difference. We are better together.

Dear Applicant,

Thank you for your interest in the teacher of Mathematics vacancy at Burscough Priory Academy.

We are a small and thriving community school, a proud member the Endeavour Learning Trust. Ours is a small but steadily growing, well-established, highly respected Trust in the North West.

Our school is driven by what we believe, our vision, mission and values. We work to be 'A School with Ambition for All. Everyone Matters, Everyone Succeeds.' From founding, E Pluribus Unum, translated to Out of Many, One, is the school's motto and mission; we work as one. We genuinely believe that collaboration has a positive, multiplying effect. Our values, Kindness, Respect and Ambition, underpin and drive the work we do - they are wholly visible, lived and celebrated. They allow us enjoy our community, celebrate the individual and enrich our experience. Ambition challenges us all, students and staff, to be better than yesterday and better again tomorrow. When you visit us, you will see and feel our values in action.

Our school is an oasis of calm and one where students feel safe. This is by design and not chance, planned upon the solid foundation of simple, high expectations, clear standards and well-rehearsed routines. This means that here, teachers can teach and students learn, and we do so together. The subject and personal development curriculum is ambitious, teaching challenges thinking and support for our students underpins everything we do. In November 2022, this was recognised by Ofsted and we were judged a 'Good' school.

The relationships that are fostered in school between the children and staff are exceptional. We are very aware of our responsibility as a school at the heart of our Burscough community and we know that excellent relationships with our parents, staff and within the wider community are crucial to the success of the children.

Our family ethos is tangible; we work as a team and we want the best for everyone. This means as individuals, together, in our classrooms, staffrooms, schools and right across our Trust. We are staunch in our commitment to doing this in a way which protects the wellbeing of our staff and our students. Our commitment to the work – home balance is real, everything is examined through the workload lens, carefully balanced to meet the needs of our young people.

We hope the information in this pack give you a flavour of who we are and what we do. If you have any queries or would like to visit us, please get in touch.

We look forward to receiving your application.

Yours faithfully,

Lucy MacLaren

Headteacher

Teacher of Mathematics

0.4 or 0.6 FTE, Permanent

Main Pay Range – Upper Pay Range

FTE £32,916 - £51,048

Required for September 2026

Inspire curiosity. Build confidence. Bring mathematics to life.

Do you have a passion for mathematics and a talent for inspiring young minds? We are seeking an enthusiastic and dedicated part-time Teacher of Maths to join our dynamic, high performing Mathematics Department.

In this rewarding role, you will deliver engaging and stimulating lessons that promote problem-solving, logical thinking, and a genuine appreciation of mathematics. From developing numerical fluency to exploring complex mathematical concepts, you'll help students become confident, independent learners who can apply their skills in a range of contexts.

Key Responsibilities

- Deliver high-quality, engaging maths lessons to students of all abilities on a part-time, job share basis.
- Plan, prepare, and assess lessons in line with the national curriculum and departmental schemes of work.
- Foster a positive attitude towards mathematics and encourage curiosity and resilience.
- Support students in developing analytical thinking, problem-solving, and reasoning skills.
- Use a range of assessment strategies to monitor progress and provide targeted feedback.
- Contribute to curriculum development and enrichment activities within the department.
- Work collaboratively with colleagues to share best practice and support student achievement.
- Maintain a safe, inclusive, and supportive classroom environment.

If you're ready to make the maths classroom a place of curiosity, challenge, and discovery, we'd love to hear from you!

HOW TO APPLY

To apply, please complete our online application form in full, along with a personal statement to support your application and outline the relevant experience you can bring to Endeavour Learning Trust.

If you require any further information, please contact our Operations Lead, Alexa at a.oldfield@burscoughpriorityacademy.org

SAFEGUARDING

Endeavour Learning Trust is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment and individually take responsibility for doing so.

Please note that in line with Keeping Children Safe in Education, an online search will be carried out as part of our due diligence on shortlisted candidates.

TEACHER OF MATHS JOB DESCRIPTION

BURSCOUGH PRIORY ACADEMY

To carry out the duties of a School Teacher as set out in the School Teachers Pay and Conditions Document.

To plan, develop and deliver high quality lessons and schemes of work, using a variety of approaches, to continually enhance teaching and learning and to maximise individual progress for students
